LOGGING INTO VIRTUAL BRANCH -EXISTING USERS

Once members have signed up and chosen a new Log In ID and Security Code (password) they should never click on First Time Users. If they do, then it will say user already exists.

1. Type in Log In ID
2. Click on Log on.

Verify Security Phrase and Enter Security Code

If your Security Phrase below is not correct, then do not proceed with signing in.

YOUR SECURITY PHRASE SHOULD APPEAR HERE

Enter your Security Code (this is not the same as the Security Phrase shown above).

Security Code
The security code is case sensitive.
